

Help Make National Women's History Museum a Reality – NOW!

FAN ALERT -- Issued Sept. 28, 2006

For those who have worked with President Meg Hunt on getting Congress to support the National Women's History Museum, please note the following from the NWHM legislative team.

We have less than 24 hours to help them. If you want a women's history museum, please call or e-mail your HOUSE OF REPRESENTATIVE member right away. You can find contact information at **www.house.gov**.

The House will recess Friday night. The Senate will be in session Saturday. Your urgent help will make a difference!

We would greatly appreciate calls into 1) Speaker Hastert's, 2) Minority Leader Pelosi's, and 3) Rep. Don Young's offices asking them to take up our bill (S. 501, The National Women's History Museum Act) before they leave on Saturday.

Speaker Dennis Hastert(IL) -- 202 - 225-0600 (leadership office)

Minority Leader Nancy Pelosi(CA) -- 202-225- 0100 (leadership office)

Chair of the Transportation and Infrastructure Committee -- Don Young (AK) 202-225-5765

We will let you know ASAP when the bill gets onto the schedule. Considering the timeframe, this is a long-shot. If we are not successful in the short time left, we will continue to push for the bill to be voted on in the LAME DUCK SESSION.

Many thanks for your continuing support. Your help is critical to the success of this museum.
